## AI data Trainer

Invisible Technologies

San Francisco, California.

May 2022–January 2023

- Trained and fine-tuned AI models by providing high-quality data annotations, response evaluations, and contextual feedback to improve performance.
- Assessed and enhanced AI-generated outputs for accuracy, coherence, and relevance across various use cases, including customer support and content generation.
- Collaborated with global teams to ensure alignment with project goals and maintained consistent quality standards in all training datasets.
- Contributed to continuous model improvement by identifying response gaps, suggesting training data adjustments, and documenting behavioral patterns of AI systems.

## Junior HR

Get Job Nepal Private Limited

August 2025–October 2025

- Built business relationships and closed recruitment service deals with client companies.
- Analyzed job descriptions and sourced suitable candidates as per client requirements.
- Coordinated end-to-end recruitment processes, including screening and shortlisting.
- Assisted in HR operations, documentation, and candidate communication.
- Supported business growth by identifying new clients and maintaining client satisfaction
